Cluster News

Perhaps by now our children and youth are looking forward to returning to school. Perhaps parents are looking forward to that as well. It is a great time to think about the wonderful opportunity of Catholic education through the regional schools supported by our Cluster parishes. Through a diocesan assessment, all four of our parishes financially support both Portsmouth Catholic Regional School in Portsmouth and Bishop Sullivan High School in Virginia Beach. In addition, many of our families have children enrolled at Peninsula Catholic in Newport News. Each of these schools has proven an ability to provide an excellent education in the Catholic tradition, graduating students who go on to be some of the most successful in our communities. A Catholic school education is not the only option for families today, but it should be given great consideration when weighing the options. We hope you will choose one of these great schools.

Questions or comments about the Cluster may be addressed to the Cluster Parishes Coordinator, Jeff Foster, by email at jeffrey.foster@cox.net or by calling 485-2142.

Oasis School Supplies

OASIS is conducting its annual school supplies collection. Each parishioner is invited to participate in a worthy cause that benefits the school children in our city. Please place your donation in the box provided in the commons. Suggestions include: pencils, "marbled" composition books, erasers, handheld pencil sharpeners, scissors, glue, paper clips, staplers, red pens, notebook paper, crayons, markers, notecards, journals, stickers, homework note pads, rulers, pencil cases, etc. If each parishioner brought one item, our basket would be overflowing! Thank you to a generous parish.

**Health care for the most vulnerable in our
community:**

The proposed national health care legislation has a noble goal of providing for all of God's children, but unfortunately there are some areas that will have the opposite outcome, further endangering those without a voice:

On July 17, Bishop William Murphy, Chairman of the U.S. bishops' Committee on Domestic Justice and Human Development, sent a letter to Congress saying: "The USCCB looks forward to working with you to reform health care successfully in a manner that offers accessible, affordable and quality health care that protects and respects the life and dignity of all people from conception until natural death." Abortion must not be included as part of a national health care benefit. "No health care reform plan should compel us or others to pay for the destruction of human life, whether through government funding or mandatory coverage of abortion."

For more information see the Action Alert on the USCCB website.
