Cluster News

During the month of October we have the opportunity to focus our minds and hearts on a dignified respect for human life at every stage. We are reminded during this Respect Life Month of the words of Pope John Paul II who called us to the greatest defense of human life: "Nowadays, in America as elsewhere in the world, a model of society appears to be emerging in which the powerful predominate, setting aside and even eliminating the powerless: I am thinking here of unborn children, helpless victims of abortion; the elderly and incurably ill, subjected at times to euthanasia; and the many other people relegated to the margins of society by consumerism and materialism. Nor can I fail to mention the unnecessary recourse to the death penalty when other 'bloodless means are sufficient to defend human lives against an aggressor and to protect public order and the safety of persons...without abandoning all hope of their [the aggressors'] redemption'. This model of society bears the stamp of the culture of death, and is therefore in opposition to the Gospel message. Faced with this distressing reality, the Church community intends to commit itself all the more to the defense of the culture of life."

Questions or comments about the Cluster may be addressed to the Cluster Parishes Coordinator, Jeff Foster, by email at jeffrey.foster@cox.net or by calling 485-2142.

Empower Hampton Roads

EMPOWER HAMPTON ROADS

MISSION

We are called, as faithful citizens, to promote policies and structures that advance equality and social and economic justice for all people. We will challenge policies that do not benefit the common good. We motivate, inspire, and work side by side with those who will work with us. Using our resources of all kinds, we strive to improve the quality of life for all citizens of the Hampton Roads region.

METHODS

- Researching community issues and potential solutions
- Forging relationships with leaders and policy makers
- Building appropriate partnerships to amplify our effectiveness
- Educating ourselves and others about issues and actions in order to implement solutions
- Energizing and organizing our congregations and our community to be effective advocates.
- Empowering those most affected by social and economic injustices

ACTION ISSUES TO HELP ALL PEOPLE IN THE REGION THRIVE:

- We continue to address affordable/opportunity based housing policies.
- We continue to push for better redevelopment plans for the St. Paul's Quadrant of downtown Norfolk, including a stronger voice for residents.
- We continue to encourage unity across the Hampton Roads community.
- Core teams with our member congregations, and regional Task Forces, continually identify social and economic issues and solutions for pursuit as approved by the EHR Board of Directors.

GUIDING PRINCIPLES

- We are informed, knowledgeable, educated, and credible when we speak about issues.
- We respect the basic dignity and value of all people, especially when we argue issues.
- We respect the different faith traditions of our member congregations and the freedom of all to speak and pray from their own faith traditions.
- We know there is powerful unity in our diversity because we all share the empowerment of a common belief in a just and united Hampton Roads region.
- We speak with integrity.
- We believe that the results of our work are in greater hands than ours; our work in bringing about justice and unity in our region is an act of actualizing our faith.
